**NEVER RUN OUT!** AutoShip is an easy and reliable way to receive automatic shipments of your favorite StrongerFasterHealthier® products. Never worry about missing your Omega-3 or Whey Protein products again.

**SAVE TIME!** Sit back and let your orders come to you. No need to log in and checkout, phone or mail in your order. We'll do it all for you, automatically!

**HOW OFTEN WILL IT SHIP?** Although our products are designed in sizes to last a month, some varieties have a dose range that you determine. Unlike most automatic shipping programs, you may select one of our predetermined shipping schedules or choose to conveniently receive your product on a schedule that fits your personal needs.

**WHAT IF I NEED TO CHANGE MY SCHEDULE?** Running out too soon? Half a bottle still left? It's easy to adjust any shipping schedule you originally chose. Call us at **1(800) 797-2021** and we'll make the change.

**SAVE MONEY!** *What we do for you, what we ask you to do for us.* You will receive a **15% discount** on your products by agreeing to have your credit card billed every month. In return we ask that you subscribe to our AutoShip program for a minimum of 3 months. You can end the program anytime after that.

**TEMPORARY ADDRESS CHANGES OR HOLD.** Sometimes our AutoShip customers need their order sent to a different address for a few months or need to put their order on hold. A few have even had us ship it to their vacation address. We will be happy to do this. Either give us a call or send an email message to info@SFH.com

**CANCELLATION POLICY.** *It's just not working for me. How do I cancel?* After the minimum requirement of 3 shipments, please call us at **1(800) 797-2021**. We must receive notification at least 5 days prior to your next AutoShip date.
